CC Docket No. 92-105

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

REQUEST FOR AN EXTENSION OF TIME TO FILE COMMENTS BY
THE PUBLIC UTILITIES COMMISSION OF OHIO, THE INDIANA UTILITY
REGULATORY COMMISSION, AND THE STAFF OF THE PUBLIC
SERVICE COMMISSION OF WISCONSIN

Pursuant to Section 1.46 and 1.44 of the Federal Communications Commission's (FCC or Commission) General Rules of Practice and Procedure, 47 C.F.R. Sections 1.46 and 1.44 (1990), the Public Utilities Commission of Ohio, the Indiana Utility Regulatory Commission, and the Staff of the Public Service Commission of Wisconsin (Ameritech States) respectfully request that the Commission extend the time for filing comments in these proceedings approximately 60 days to August 7 and August 21, 1992. In support of this request, the Ameritech States state the following:

On May 6, 1992, the FCC issued a Notice of Proposed Rulemaking seeking public comment on BellSouth's March 6, 1992 filed petition for a declaratory ruling. The petition, *inter alia*, asks the FCC to declare that ". . . the use, allocation, and assignment of a limited number of pay-per-call type information services via local exchange service arrangements that include network-based rating, recording, and

billing capabilities, are consistent with the Communications Act and the Commission's policies to the extent that the Commission has jurisdiction over such issues." BellSouth Petition at 1-2.

The May 6, 1992 notice sets June 5, 1992 as the date for interested persons to file initial comments on the FCC's proposed response, and June 22, 1992 as the final day to reply to those initial comments.

The Ameritech States have only recently received copies of the Notice of Proposed Rulemaking and have not had sufficient time in which to formulate a consensus position and submit it by June 5, 1992.

BellSouth's proposal clearly raises issues of concern to the Ameritech states and could impact upon our ability to adhere to our respective mandates to serve the public interest. No other participant's filed initial and reply comments can adequately represent the viewpoint of the Ameritech States. This viewpoint is necessary to fully illuminate the issues raised by the BellSouth's proposal and assure a complete record upon which to base a decision. Hence, granting the requested extension will serve the interest by ensuring participation from the Ameritech States.

Respectfully submitted,

LEE FISHER
